

FY23 Preliminary Consolidated Results

Razionalization Project of the Unipol Group Corporate Structure

16 February 2024

This document has been prepared by Unipol Gruppo S.p.A. and by UnipolSai Assicurazioni S.p.A. solely for information purposes in the context of the presentation of its FY23 preliminary results.

The FY23 data contained herein are preliminary in nature and refer to the date hereof and, therefore, may be subject to further variations. Please note that these preliminary data are subject to review by the Independent Auditors that still have to complete the necessary analysis in order to release their report.

The FY23 final results will be approved by the Board of Directors scheduled on 21 March 2024 and will be disclosed to the market according to, and in the terms set forth by, the applicable laws and regulations.

Luca Zaccherini, Senior Executive responsible for drawing up the corporate accounts of Unipol Gruppo S.p.A. and UnipolSai Assicurazioni S.p.A., declares, in accordance with Article 154-bis, para 2, of the 'Consolidated Finance Act', that the accounting information reported in this document corresponds to the document contents, books and accounting records.

The content of this document does not constitute a recommendation in relation to any financial instruments issued by the companies or by other companies of the Group, nor it constitutes or forms part of any offer or invitation to sell, or any solicitation to purchase any financial instruments issued by the companies or by other companies of the Group, nor it may be relied upon for any investment decision by its addressees.

Numbers in the document may not add up only due to roundings.

Unless otherwise specified, all figures reported in this presentation refer to the Unipol Group and are based on in force IFRS.

FY23 PRELIMINARY CONSOLIDATED RESULTS > ESG HIGHLIGHTS

2023 ACTIONS...

- Definition of commitments within the Net-Zero Asset Owners Alliance (50% reduction in the carbon intensity of its directly managed portfolios of listed equities and publicly traded corporate bonds by 2030)
- Development of a **retail health insurance offer**, with attention to the specific needs of different targets (students, under 30s, mothers, parents, women, under 65s, ...)
- Advocacy to the European Commission for a new paradigm more sustainable, equitable and inclusive - for measuring the CO2 emissions of private cars, based on "green boxes"
- Establishment of a DE&I (Diversity Equity & Inclusion) function
- Strengthening of the control of ESG risks and impacts (Human Rights Guidelines, Anti-corruption guidelines, new Supplier Code of Conduct extended to non-insurance business)

STRATEGIC RATIONALE

The transaction is aimed at:

- > streamlining the Group corporate structure
- > simplifying the decision-making processes under a unified Group governance

KEY BENEFITS OF THE MERGER

Unipol shareholders will:

- become shareholders of an insurance company comparable with national and European players
- optimize the cash and funding profile
- achieve cost synergies
- enhance the capital position of the Group also perspectively

UnipolSai shareholders will:

- remain shareholders of one of the leading Italian insurance companies, which is listed, parent company of the Unipol Group and in line with national and international best practices
- hold a share with a significantly high degree of liquidity
- increase the stake in the bancassurance partners, benefitting from additional income sources and diversification

RATIONALE OF THE CASH PVTO

 $Cash\ event\ granted\ to\ UnipolSai\ shareholders\ not\ willing\ to\ participate\ in\ the\ merger:$

- > realizing a prompt monetization of the investment, ahead of the effective date of the merger
- at a premium vs. market prices as detailed at page 38 of this presentation

RATIONALIZATION PROJECT OF THE UNIPOL GROUP CORPORATE STRUCTURE MERGER HIGHLIGHTS

Merger by incorporation of UnipolSai and intermediate holdings into Unipol

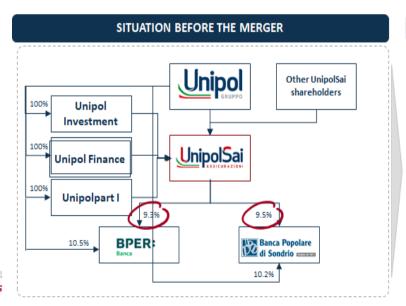

- Unipol Finance, UnipolPart I and Unipol Investment are intermediate holding companies 100% owned by Unipol. The shares of these companies will be cancelled without exchange upon completion of the merger
- UnipolSai shares directly and indirectly owned by Unipol and UnipolSai own shares will be also cancelled without exchange

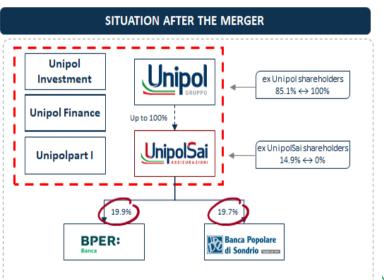

In the context of the merger by incorporation of UnipolSai into Unipol, the exchange ratio offered is equal to 3 newly-issued Unipol shares for every 10 UnipolSai shares offered in exchange

- Unipol to issue new shares with the same characteristics of the outstanding ones
- > The number of new shares to be issued by Unipol will be determined following the outcome of the cash PVTO

Completion of the Merger will take place regardless of the outcome of the cash PVTO

- Unipol shareholders who will not approve the merger and, therefore, the amendments to the bylaws will have a withdrawal right
- > The effectiveness of the withdrawal right is subject to the completion of the merger and to the total disbursement not exceeding 100€m, unless waived by Unipol and UnipolSai
- > The completion of the merger is subject to, inter alia, obtaining the relevant authorizations required by law
- The merger is expected to be completed by the end of 2024

RATIONALIZATION PROJECT OF THE UNIPOL GROUP CORPORATE STRUCTURE PVTO HIGHLIGHTS

PROPOSED PVTO

- > Public Voluntary Tender Offer, entirely in cash, for all the shares of UnipolSai
 - except for the shares already directly and indirectly owned by Unipol and the treasury shares directly and indirectly owned by UnipolSai
 - including the treasury shares that will eventually be granted to management by the end of the PVTO acceptance period as part of compensation plans
- > On the announcement date, the PVTO involves a maximum of n. 417,386,600 shares, representing 14.75% of the share capital of UnipolSai

CONSIDERATION

- Cash consideration of € 2.700 per share cum dividend (i.e. if UnipolSai distributes a dividend before the payment date of the PVTO, the consideration will be automatically decreased of an amount equal to such dividend)
- Representing a premium vs. market prices as detailed at page 38 of this presentation
