AGREEMENT SIGNED BETWEEN UNIPOLSAI AND THE PONTIFICAL COUNCIL FOR PROMOTING NEW EVANGELIZATION

UnipolSai Assicurazioni will be the Main Supporter of the Extraordinary Jubilee of Mercy, which will commence on 8 December. As part of the Event desired by Pope Francis under the banner of acceptance, the Insurance Company will contribute to offering some of the “concrete Signs of Mercy”, which will be communicated during the Holy Year. Moreover, it will be in charge of insurance coverage for all the Volunteers of the Jubilee and will offer a policy to assist pilgrims.

These are the main points of the agreement signed between the Pontifical Council for Promoting New Evangelization and UnipolSai Assicurazioni.

“It is a great honour to cooperate with the Holy See in the Extraordinary Jubilee of Mercy - said Carlo Cimbri, Chief Executive Officer of UnipolSai -. The choice of our Company as Main Supporter and our commitment to carrying out a project of solidarity for the people of a developing Country is a sign of the commitment of UnipolSai in the social field”.

During the meeting that sealed the partnership between the Pontifical Council and UnipolSai, Carlo Cimbri received the appreciation of Mons. Fisichella, president of the Pontifical Council for Promoting New Evangelization, for the determination, solutions and commitment shown in becoming the Main Supporter of the Extraordinary Jubilee of Mercy, concretely supporting some of the projects desired by His Holy Father, Pope Francis, in favour of women and men living in difficult economic and social environments and conditions.
