

Press Release

Milan, May 25, 2010 – On the occasion of the 11th Italian Conference organised by Deutsche Bank, Dr. Carlino, General Finance and Life Director of the Fondiaria Sai Group, commented upon the 2010 first quarter results previously announced to the market.

During his presentation, some of the operating results updated with April and May data were also commented upon – among the most significant were: Motor TPL Premiums written -0.8%, average premium +0.9%, claims reported -2.5%, stable frequency and average cost paid -0.9%. The exposure to Greek, Spanish, Portuguese and Irish government securities, updated to May, was also commented upon.

The slides presented will be made available on the company's website.
