The **pre-tax result** for the life business amounted to €11m compared to €26m in the first three months of 2020, mainly due to the lower contribution of financial income.

### **Real Estate Business and Other Businesses**

With regard to the **other businesses** that the Group operates in, the ongoing Covid-19 emergency continues to have particularly negative repercussions on the hotel sector, still penalised in the first quarter of this year since most hotels were closed. # **Independence of the Directors**

The board of directors checked whether non-executive directors, Mr Mario Cifiello and Ms Maria Paola Merloni, appointed by the ordinary shareholders' meeting of the Company on 28 April 2021, fulfilled the independence requirements.

In assessing the independence requirement in accordance with the Code, criteria were used to assess the materiality of the relations being considered, as identified in the Fit&Proper Policy, and reported in the annual report on corporate governance and ownership structure, published on the Company's website which should be referred to.

# **Independence of the Statutory Auditors**

The board of directors also carried out its periodic assessment to check whether the board of statutory auditors, appointed by the shareholders' meeting of 28 April 2021, fulfilled the independence requirements pursuant to article 148, paragraph 3 of the Consolidated Law on Finance.

After the assessments, the board of directors confirmed that all members of the board of statutory auditors fulfilled said requirements, and more specifically: Cesare Conti (chairperson), Silvia Bocci and Angelo Mario Giudici (standing auditors), Sara Fornasiero, Luciana Ravicini and Roberto Tieghi (alternate auditors).

The board of directors acknowledged the results of the self-evaluation carried out by the board of statutory auditors - in charge of this matter pursuant to the Fit&Proper Policy - regarding the independence of its standing members in accordance with the Code. To that end, the board of statutory auditors confirmed that all its standing members can be considered to hold the above-mentioned independence requirements. The recommendation regarding independence contained in the Code was also applied in this case for all the situations indicated therein.
