

## UNIPOLSAI AND FESTIVAL OF SPORT TOGETHER FOR THE SECOND CONSECUTIVE YEAR

Bologna, 10 September 2019

For the second consecutive year, UnipolSai will be supporting the Festival of Sport, a major national and international event dedicated to the world of sport that brings great champions into contact with their fans: debates and insights together with Olympic and Paralympic athletes, coaches, institutional figures, technical specialists, experts and enthusiasts. A celebration of sport and its values. For this reason, UnipolSai will be Premium Partner of the 2019 edition in Trento from 10 to 13 October.

UnipolSai's support stems from its belief that, in addition to creating economic value and wellbeing, major companies have a duty to generate social value for a wide audience of stakeholders, from institutions to social organisations, from associations to citizens. In this context, sport - and the passion, loyalty, honesty and team spirit associated with it - becomes an educational tool of primary importance and the privileged vehicle of all the values necessary for people to grow within society.

With its Corporate Sponsorship Program, UnipolSai Assicurazioni wants to be close to people and communities at all times, supporting projects in various areas, including sport.

**Because for UnipolSai thinking about people's futures also means thinking about what they love: sport.**
